**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and competitive deployment!. I want the option as a consumer to be able to choose between different companies. I am signed up with a company who offers affordable prices for internet service. Please continue to support broadband as it is critical to my own personal business and thousands of other small business owners.

thank you
